ADDITIONAL INFORMATION

- A) The term of 10 years of a trademark registration is counted from registration date.
- B) In Costa Rica we do not have multi-class system for trademarks; all trademarks have to be filed individually.
- C) Renewal of a trademark registration is feasible within a year before and within 6 months after the due date.
- D) If after the registration of a trademark it has not been used within an uninterrupted period of time of 3 years and its owner is unable to give a valid reason for such non-use, the trademark can be removed, cancelled, from the register only at the request of an interested party.
- E) It takes from 10 to 14 months from filing the application to receiving the registration certificate.
- F) Publication Period is for two months.
